Festival™ from Fiat and Allied Mobility

Allied Mobility
Driving for Perfection

 **Motability**
The leading car scheme for disabled people

Lightweight rear ramp

Rear passenger seating

Air conditioning

High quality wheelchair restraints

Practical

The new and improved Fiat Festival™ combines original design, modern features and innovative engineering to make it the ideal wheelchair accessible vehicle for individuals, couples and families.

Based on the latest model Fiat Doblo, Festival™ is a highly versatile car which has been specially converted to offer optimum accessibility and class leading headroom for both able-bodied and wheelchair passengers.

Ideal for taller people or those with a large wheelchair or powerchair Festival™ can accommodate driver, wheelchair passenger and up to three seated passengers.

This distinctive model includes numerous state-of-the-art features including fuel-saving 'Start&Stop' technology and is available with a choice of manual or automatic transmission.

Access & Safety

Festival™ comes complete with a lowered floor and lightweight wheelchair ramp, providing ease of access for wheelchair or scooter users. The wide entry, low-angle ramp is easy to use and, for those in need of extra assistance, an electric winch can be included with your *Festival™*.

Once inside, the wheelchair passenger feels safe and secure thanks to the four point wheelchair restraint system. Both the wheelchair passenger and seated passengers have full lap and diagonal seat belts which have been tested to meet stringent safety standards, offering all passengers complete peace of mind.

Key Features

Festival™
